Summer Reading Challenge

Challenge yourself to read 100 books this summer! Each sun represents 1 book. Every time you read a book, color in one sun. When all of the suns are filled in you've read 100 books! Congratulations!

I read _____ books this summer!

My favorite book that I read:

Summer Reading A Guide for Students and Parents

Dear Parents,

Your child has worked very hard during this very challenging school year! According to studies,* students that do not read over the summer can lose as much as 22% of their reading level. Summer reading can help prevent the “summer slide!”

Encourage your child to read over the summer. Try to read something everyday, whether it’s a book, directions, recipe, or a menu. Every word counts!

In this pamphlet there are some fun ideas and resources that can help make this a Super Summer of Reading! See you in the fall!
