

June 1, 2016

Dear Parents,

Wow! Where did the year go?! It is June and there is still a lot happening between now and our last day! We've been learning about different types of communities, our own community, and how people together help a community work. Our field trip on

Thursday will be a tour of our area and visits to some of the businesses in the community. We will end the trip with a beautiful walk on the Rosendale Trestle Bridge!

In writing, the students had a great time with their cereal box projects! I was pleased with the creativity and effort they put into them! Next, we will be working on writing book reviews. We've looked at many reviews written by kids and will publish our final reviews on the Scholastic website, so other kids may read them as well! In math, we are now doing a lot of graphing, reviewing money, and will be exploring geometric shapes and solids. There is still so much learning to do!

Here are some events and dates to note:

\*Thursday, June 2<sup>nd</sup> - Community Field Trip

\*Saturday, June 11<sup>th</sup> – Stone Ridge Library Fair (A chance to pick up some great books for summer reading!)
