A Guide for Students & Parents

Marbletown Elementary School
Summer Reading
2024

Dear Parents,

Wow! It feels as if this school year just flew by! It seems like just yesterday we were welcoming the new kindergarten students into the library and helping them choose their first library books! Now they are library pros and are moving on to first grade! Where has the time gone?

Speaking of time, summer break is a perfect time to explore things that peak your interest, broaden horizons, and reinforce reading just for FUN! This brochure has resources and ideas to encourage summer reading with your child. Visiting your local public library this summer is also a great way to foster a love of literacy for the whole family. Start a new adventure, learn a new hobby, study up on your vacation destination, or tackle a new recipe! Remember that you are never far from your next adventure with a book in your hand! Have a great summer! See you in the fall!
